* BEST PRACTICES *

- Mindfulness in Celebration of National Festivals – **The Republic Day & The Independence Day** infusing national spirit, remembering real heroes, & paying homage.
- The school has Replica of **India Gate** to remind the students, teachers, parents and all the visitors; that we owe a lot to the defense forces of our motherland. We hoist the **National Flag**, lay a wreath everyday with a solemn ceremony.
- We have : **NCC** – Army Wing for classes IX & X **NCC**- Air Wing for Classes VIII & IX & **NSS** for Classes XI & XII.
- We provide utmost Care – That no child is left behind
- Orientation program for the staff – to keep ourselves updated.
- There is a Career counseling of the students of IX to XII classes.
- We connect to the parents for sharing the progress of the students.
- Result declaration is a proper function– to identify and recognize the achievers thus raising the self-esteem of the children
- School has its own pedagogy, Academic Calendar – They are part of our functioning
- Exposure of the corporate sector, Banks, LIC, manufacturing industries to the classes of XI & XII.
- School laboratories – Physics, Chemistry, Bio, Computer, Geography, Math, Music and art room are supplementary and complementary to theory and practical.
- Social development of the students through club activities.
- Body mind coordination – Aerobic Exercises, Yogas – Asanas & Pranayamas - the exercises help in maintaining calm, strengthens Lungs by supplying extra Oxygen, invigorates & enlivens the spirit, builds Stamina, increases working capacity, heightens memory and the retention power.
- We have started using “**Jai Hind**” to address and greet the students and other people. This has helped in synergizing the parts into whole. Both the words “**Jai**” the victory and “**Hind**” the belongingness to the country, the motherland create a vibrance all around.
- Experiential learning, and Remedial teaching is a part and parcel our school functioning.

We have decided to pursue 21st Century Skills:

- **Communication skill** : Written & Oral
- **Emotional Intelligence** : Collaboration and Coordination
- **Happy classrooms** : Nurture curiosity, Appreciate inventiveness & discovery and Allow open exchange of ideas
